# Director's Note

**Mamma mia!** You want another director's note?!? Here I go again...

I can still recall **our last summer**, when **one of us** said, "We're **under attack** by a pandemic!" So as theatre as I knew it was **slipping through my fingers**, I said, "**I have a dream.**" We won't make any **money, money, money**, but let's do a show outside! Despite many obstacles, a team of **super troupers** safely and successfully staged an outdoor production of *A Chorus Line*.

With indoor theatre still looking uncertain for summer 2021, I said, "**Honey, honey, gimme, gimme, gimme** another outdoor show!" Coming out of a difficult year, fun, lighthearted and upbeat was **the name of the game**. I have loved ABBA music for as long as I can remember, and **knowing me, knowing you**, you have, too. It is a dream come true to direct and produce *Mamma Mia!*, and I would not have wanted to do it with any other cast or team.

To my favorite *Mamma Mia!* cast, thank you for answering the call when I said, "**Voulez-vous auditionner?**" You make me smile! Would you laugh at me if I said I care for you? You've turned my world upside down. Now, I don't wanna talk about the things we've gone through, I just want to let you know that you're all winners in my book. And when it comes to my love and admiration, **the winner takes it all**.

I want to express my sincere appreciation to the dream team that agreed to **take a chance on me**. Kevin, **thank you for the music**. Katy, my **chiquitita**, thank you for being my **dancing queen**. Tim, thank you for always being there when I yell **S.O.S.** Dan, thank you for being the one to **lay all your love** and support **on me**. Adam and Michael, **does your mother know** how much time you spend at Ovation Studios? Thank you all for your support and dedication; I truly appreciate it. **I do, I do, I do**.

Thank you for coming, dear spectators of the show. We hope you dance, jive, and have the time of your life.

Sincerely,  
(Queen) **Megamix** Gore

P.S. **Fernandon't** forget to head to concessions to buy some **water** — **loo** is located in the parking lot.
